You're Invited to a Powerful Conversation on Strengthening the Impact of the Ombudsman!

Strengthening Implementation: Ensuring Effective Execution of the Ombudsman's Recommendations

Organized by the African Ombudsman Research Centre (AORC), the research arm of the African Ombudsman and Mediators Association (AOMA), based at the University of KwaZulu Natal (UKZN). In Collaboration with the International Ombudsman Association (IOI)

Too often, the impact of an Ombudsman's work ends with the report. But what happens next is just as important, implementation. This timely webinar puts the spotlight on how Ombudsman offices can turn recommendations into results that improve lives, build trust in institutions, and strengthen democracy.

Join us as we unpack real strategies for:

- ✓ Strengthening internal systems to follow up on recommendations
- ✓ Collaborating with Parliament, civil society, and oversight bodies to drive accountability
- ✓ Overcoming resistance and creating a culture of compliance
- ✓ Using case studies that show what success looks like on the ground

You'll hear from respected leaders in the Ombudsman community, share your views, and walk away with practical tools and fresh inspiration.
